Pre paid registration is required to receive confirmation and all sales are final. Be certain of your plans to be in Cannon Beach before reserving your seat. Speaking with an EVOO representative is the only way to ensure date availability and confirm your registration. After registering, you will receive a personal confirmation via phone or email. Just sending in a check does not ensure seating. Paying with gift certificates require the same process.

Reservation Hours: EVOO representatives are available to take your call every Tuesday through Friday from 10:00 AM to 5:00 PM. Voice and email messages will be returned as received whenever possible, and, if not, the following Tuesday through Friday.
